FALCON CROSS COUNTRY

1. Stacy Paullin painfully makes her way along the scenic Hillsdale course. 2. Melinda Meng mingles among the maples

The 1984 Cross Country Falcons saw improvement in each meet. With the most girls out in a number of years and three seniors leading the way, Hillsdale was represented well in competition. The boys moved up to Class "AA" with the increase in male enrollment. As a result, the stiffer competition caused more adversity in the Sectional meet. The girls, however, did very well at District as Amy Dilgard finished seventh and Stacy Paullin placed tenth. Amy also set the school record of 5 KM (3.1 miles) at 22:26 at the Ontario Invitational.

Prospects are excellent for next year as six of the nine boys return and all of the girls will be coming back. Goals set up by Coach Valentine for next year's runners are: each one coming back should run at least 200 miles over the summer (an average of five miles a day, five days a week); and each one should establish goals and sincerely run to accomplish them. With that kind of commitment by each individual, improvement and success seem inevitable.

The 1984 Hillsdale High School football team established itself as respectable. After running up a 34-game winless streak, the Falcons, under the reins of first-year coach Fred Colburn, scored a resounding victory over area rival Crestview, 19-0, after tying East Knox the week before. The following Friday, the amazing Falcons ran their record to 2-0-1 with a comeback victory over the guys from northern Ashland County, arch-rival Mapleton 22-19. Other season highlights were:

A good game against eventual state playoff semi-finalist, Smithville.

A narrow Homecoming loss to Northwestern as the fog set in and stalled our possible game-winning drive.

Lee Erhardt being named First Team All-Wayne County Athletic League Linebacker.

Tom Strine, Kevin Browne and Drew Austin being named to Second Team All-Wayne County. And Drew Austin and Mike Meyer each rushing for over 600 years.

THE KEY FOR FURTHER FOOTBALL SUCCESS IS IMPROVEMENT.

HILLSDALE J.V.'S REDISCOVER SUCCESS

The '84 edition of the Falcon junior varsity football also saw improvement as they opened up the season with two convincing wins. Led by top scorers and rushers Todd Tucky and Mike Trine they played well throughout the rest of the fall campaign, narrowly losing several games. Hillsdale was well-represented on the field of play by the J.V. Falcons.

VARSITY VOLLEYBALL WCL CHAMPS

The '84 Lady Falcons accomplished what no other team had done before them. They dethroned seven-time champion Rittman for the Wayne County League crown, playing as a team. Starting the season with two narrow losses, they ran their record to 14 wins with 6 defeats and an impressive league record of 12-1. The most important factor to their success was that they took their victories as well as their losses, as a team, according to Coach Tim Fair. With that kind of attitude, hopes are high for next year with only one senior from this year's squad and many valuable J.V.'s coming up.

BARB HENDRIX LEADS GIRLS' VARSITY

The 1984-85 edition of the Hillsdale Varsity Girls' Basketball team saw improvement and success during the season. It opened with a convincing win over a tough Crestview squad and played very well against eventual Regional Finalist Mapleton.

Senior Barb Hendrix was a WCL All-Star, All-Area First Team, Holiday Tournament Most Valuable Player, Ashland All-Star Classic South Team member and player in the Wilbur-Berkey Classic at Doylestown. Teammate Tammy Seibert also earned All-Area and WCL Honorable Mention, as well as leading the Ashland Area in rebounding.

J.V. GIRLS

The Junior Varsity Girls' Basketball team learned important skills and experience during the winter season. Coach Mike Bauer led the team to a 4-14 record, including a sweep of Smithville and a victory over arch-rival Mapleton. The largely Freshmen team will offer key talents to the future Falcon basketball squads, as they represent Hillsdale High School in athletic competition.

FALCS HAVE HIGH HOPES

Entering the season with high hopes, the 1984-85 John Boston-coached Falcon Varsity easily handled Smithville 69-64 to start out the season right.

Three seniors earned recognition for their final year efforts in the Falcon cage. Chris Shenberger was honored as All Holiday Tourney First Team, Ashland T-G Player of the Week, First Team All-Area, and Honorable Mention All-WCL; Kevin Knight was voted to the Special Mention All-Ashland Area Team and was chosen Honorable Mention All-WCL; Ken Morgan was named to the Special Mention All Ashland Area Team; and all three were chosen to represent Hillsdale in the Annual Wilbur Berkey Classic.

FRESHMEN FINISH STRONGLY

The Falcon Freshmen Basketball team matured as individuals and players throughout the 1984-85 season. According to Coach Mike Dennis, "The squad grew from a bunch of unknowns to runner ups in the Wayne County League Tournament." Scott Fickes led the team in scoring and Russ Roshong and Kyle Knight were top rebounders for Hillsdale, which finished at 6-10. Consistency is the key for future success as the players move up to Junior Varsity competition next season. Falcon fans have good reason to be optimistic as they look ahead.

The Junior Varsity Boys' team, under first year coach Gary Smetzer, finished with a 12-8 record, winning 11 of its last 14 games. They started the season slowly, learning the ways of a new coach but finished as runner-up in the JV Holiday Tournament hosted by Hillsdale. Gradually they brought it all together and finished 8-6 in the always tough Wayne County League. Hopes are high for a powerful Varsity squad next year after the overwhelming success experienced by the Falcons during the '84-'85 season. The JV's were winners!

WAYNE COUNTY LEAGUE WRESTLING CHAMPIONS

The 1985 Falcon Wrestling team completed its award-winning season with a shining 10-3-1 record. Throughout the campaign the Hillsdale squad took third place at its own Holiday Tourney, third at the Black River Classic, a close, tough fought second place trophy at the Tri-West Invitational, and a well-deserved championship at the Wayne County League Meet, topping state-ranked host Waynedale. Six Falcon wrestlers took league championships; Bryan Weirick at 132; Damon Hitchcock at 138; Mike Meyer at 155; Lee Erhardt at 167; Ed Smith at 185; and Heavyweight Clint French. Tim Butdorf earned runner-up in the 145 pound bracket and Eric Bee took third at 112. Fourth place finishes went to Roger Briggs at 119 and Randy Chapman at 105.

CHEERLEADERS SHOW SPIRIT

The Cheerleading squads representing Hillsdale High for the 1984-85 seasons established themselves as superior, both at camps and sporting events. Preparing for the new year, the girls attended the Cheer Ohio Camp at Kenyon College in July, where they were named the Most Improved Squad. They began the year by cheering at football games, holding pep rallies and staging the traditional Homecoming Bonfire. In November, the combined Varsity and J.V. basketball squads competed at the Ashland College Camp, where they were crowned Champions. The girls performed their award-winning routine for the Parents' Night crowd at the final home basketball game. Led by adviser Fran Lavender, the girls were busy promoting Hillsdale as they showed spirit. The Freshmen Squad was assisted by past Hillsdale graduate Kim Hoverstock as they supported the 9th grade teams. This was a productive year for the Falcon Cheerleaders.

SOFTBALL SQUAD TAKES DISTRICT

The Varsity softball team rolled to a 12-5 record and the District Championship. Its first loss was to State qualifier, Loudonville, but the squad bounced back for four more wins until it dropped a doubleheader to area rival Black River. However, the girls regrouped to defeat BR for the District title at Nova, 5-4. Qualifying as one of the sweet sixteen Class A teams was a real achievement, according to Coach Pat Edwards, as the team had lost six seniors in 1984. Yet, the Falcons showed true blue pride to advance to the Regional at Canton, where they lost to Fort Frye in 8 innings, 6-7, the final game for four year letterwinners Barb Hendrix and Julie Hines. Much talent and determination will be around next year from returning lettermen and a good JV team coached by Cathy Applegate, who finished its season with a 7-3 record, with all of its losses coming at the hands of always tough Shelby. The squad was led by Connie Boyer, Tess Thomas and Kathy Bernard.

VARSITY AVENGES

Hillsdale's Varsity Baseball team finished the 1985 season with a 13-9 record. Led by senior pitcher Chris Shenberger (7-5) and the remainder of the pitching crew, Kevin Browne, Dave Deal, Kevin Long, and Ed McAbee, the Falcons complicated the league crown race with wins over co-leaders Northwestern (who was state ranked) and Doylestown to spoil their WCL title hopes. A disappointing loss was to 3rd ranked Triway in the Class AA Sectionals. The team has a positive outlook on the '86 season with much talent returning. However, Zimmie Award winner Robbie Smith and the rest of the seniors, Porter Yeater, Tom Strine, Ed McAbee, Chris Shenberger, and Todd Dilgard, will be sorely missed by HHS Coach Don Myers.

JV's FINISH 17-2

Hillsdale's junior varsity Falcon baseballers experienced a sensationally successful season. They ran their record to 10-0 before losing a struggle to Smithville in nine innings, 5-6. After that narrow loss, they won seven more before bowing in the finale to Northwestern capturing the mythical Wayne County League JV crown the team finished with a remarkable .361 batting average. With nine first year letterwinners the team produced twice as many doubles and triples as its opponents and half as many strike-outs. It finished at 17-2, outscoring its foes 154-70. The future of HHS baseball is even brighter with the success of this year's JV's.

FOUR BREAK RECORDS

The Falcon girls' track squad experienced a disappointing 1-5 record, but the season was uplifting as the girls improved their times and gained ground. Four girls broke school records: Jenni Smith in the 220 at 27.5, Stacy Paullin with 5:55.2 mile, Melinda Meng in the 2-mile at 14:09, and Tami Browne broke the shot record with a put of 34' 7 ½" and the discus with a 104'11" throw.

The 440 and 880 relay teams put forth a fine effort at the Regional Meet at Mansfield's Mehock Field. The two squads were composed of Jenni Smith, Terry McClure, Renée Howman, and Tracy Meng. Jenni Smith qualified in the 200 220 and Tami Browne took 6th in the shot put. Coach Jim House's team improved throughout the year.

BOYS' TRACK IS 4-2

Coach Bob Valentine's track team had a good year. Assisted by Coach Steve Burns, the Falcons ran their record to 4-2, finishing second at the Crestview Indoor, third at the Hillsdale Relays and fifth at the WCL Meet. The 440-relay team ran at the Regional Meet and set the school record at 45.5. It was composed of Drew Austin, Jeff Crossen, Ryan Roshong and Tom Strine. Ryan and Tom also qualified in the low hurdles, with Ryan running the highs, too. The single four-year letterwinner, Tom Strine, was named the James E. Tallmadge Award winner.

The 1985 Homecoming festivities started several weeks before the game with the classes nominating queen court candidates, and the football team selecting their choices for king court. The student body voted for each and the ceremony was set. The traditional Homecoming Bonfire saw the crowning of Lee Erhardt as King, and his court was Tom Strine and Ken Morgan, senior attendants; Drew Austin, junior attendant; Jeff Helbert, sophomore attendant; and Scott Norris, freshman attendant.

Stanley (Mike Lindner and Tisha Wood). Whiteside's barbed wit, strange visitors and expensive taste kept the Stanleys on their toes. The situation was further complicated when Whiteside's secretary, Maggie Cutler (Tracy Meng fell in love with Bert Jefferson (Tom Hawks) who was in turn swept off of his feet by Lorraine Sheldon (Dawn Wade). The special audience favorites were Whiteside's lunatic Hollywood friend Banjo (Brian Weaver) and Whiteside's nurse, Miss Preen (Julie McGinnis). YULETIDE CELEBRATIONS

Hillsdale at Christmas was again filled with good cheer and activities which have come to be traditional for the holiday season. The student body was entertained by a band concert, and the faculty was treated to an in-school brunch prepared by the Senior Home Ec Class. Normal classroom studies were put aside and replaced by a variety of Christmas pastimes. The last day of school before vacation brought movies, parties, dancing, gift exchanges and volleyball games. Finally, after a day of recreation, everyone returned to his home to celebrate the joyous Christmas season among his family and friends.

The play centers on the frantic efforts of Jack Chesney (Tom Hawks) and Charley Wykeham (Ken Anderson) to propose to their sweethearts. After they invite the girls to their rooms to meet Charley's aunt, they discover that she won't arrive for a few days. Knowing the girls won't stay without a chaperon, Jack and Charley force their chum, Lord Fancourt Babberly (Brian Weaver) to impersonate the aunt. The sweet young girls, Kitty Verdun (Brigid McGovern) and Amy Spettigue (Julie McGinnis) arrive and Babbs tries, unsuccessfully, to be lady-like. Matters are further complicated by Jack's father (David Russell) and Amy's uncle's (Mike Lindner) proposing to Babbs and the arrival of the REAL aunt (Dawn Wade). The 1985 Academic Challenge team was composed of Tom Hawks, Kenny Anderson, Todd Miller, and Alternates Richard Steward and Marc Turenne. The adviser was Mrs. Kestner. They made a fine showing on WEWS-TV5 going up against Alliance and Baptist Christian.

The Scholastic Challenge team of Kenny Anderson, Tom Hawks, Todd Miller, Richard Steward and Alternate Marc Turenne, coached by Mrs. K once again participated in the Wayne County Scholastic Challenge held this year at Orrville. The team once again brought home the championship trophy after a tension filled final round against Triway. Todd Tucky and Scott Long accompanied the team and acted as scorers for several of the preliminary matches.

The underclassmen who remain on the team are anxiously looking forward to the 1986 Scholastic Challenge Competition.

ACADEMICS

JVS

This year many Hillsdale juniors and seniors chose to attend the Ashland County West Holmes Joint Vocational School. These students represented Hillsdale in almost all of the programs at the JVS ranging from Machine Trades to Cosmetology. At the JVS the students still learned about Government and English, but they also learned specialized skills that will help them after graduation. Many JVS students went to school only half days so that they could work the other half on a job related to their field of study. Junior Elaine Kiefer and Senior Cameo Motter were Hillsdale representatives at the JVS.

ENGLISH

English is required for all students at Hillsdale High. This year, the English department taught a variety of subjects. There were, of course, the basic courses of English I, II, III and IV, plus a reading class taught in the second semester and academic and remedial courses for all levels. Freshmen study grammar and basic introduction to literature. Sophomores study paragraph coherence and unity, while reading selections are of world literature. Juniors focus their attention on three to five paragraph themes, and the major works of American literature. Seniors polish their writing skills and and finalize their high school English education by studying Greek mythology, the Bible, and English literature. Mr. Kauffman's reading class attained and practiced skills of critical reading and speed reading.

Mr. Paul Kauffman and Mrs. Judith Ream were the English teachers.

INDUSTRIAL ARTS

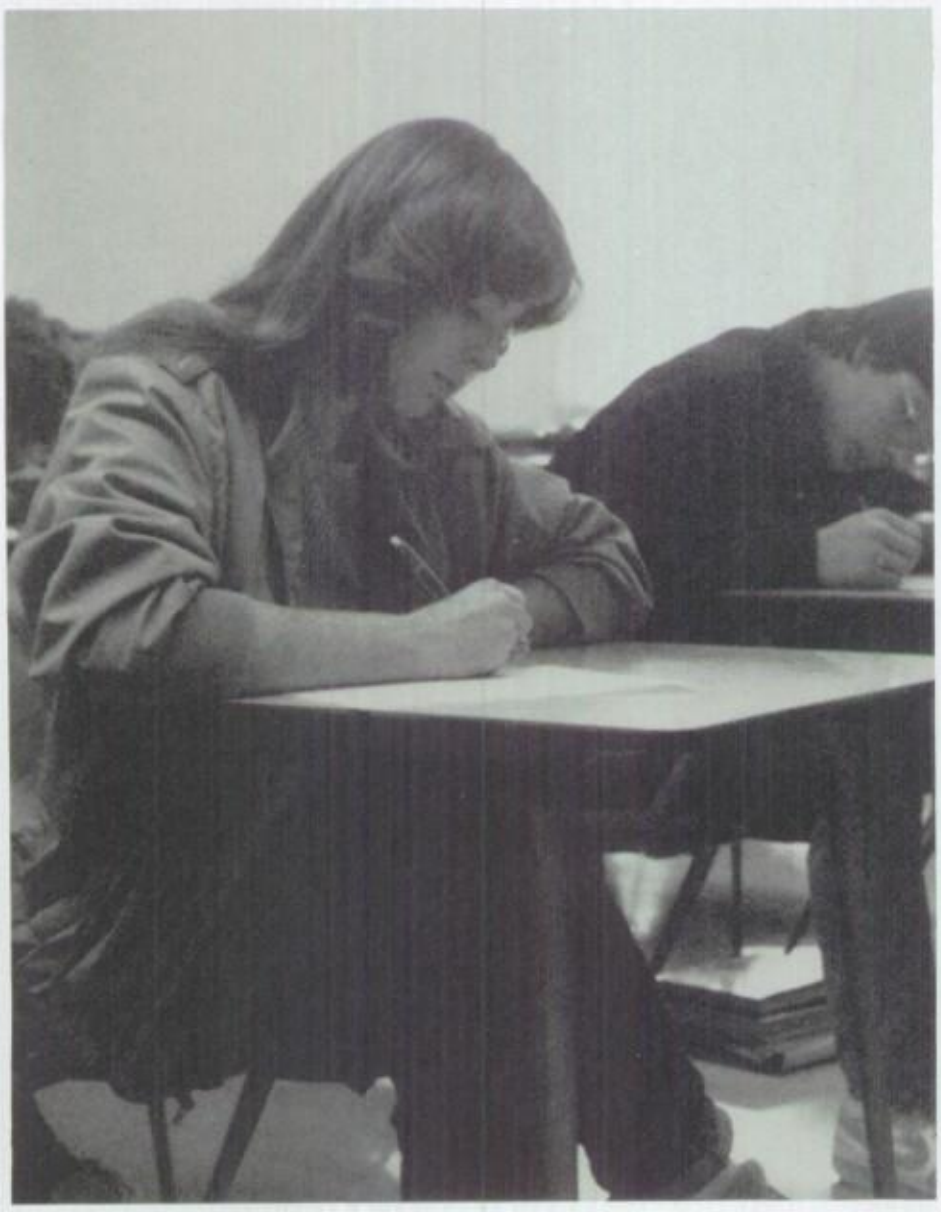
The Industrial Arts department consists of both Industrial Arts classes and the Mechanical Drawing classes. In all classes of Industrial Arts students learned how to work with shop machinery and materials. They worked on various projects in the Industrial Arts Lab, both on their own and under the supervision of Mr. Lyme and Mr. Edwards. In Mechanical Drawing students worked on isometric sections, architecture and sectioning. The Mechanical Drawing students topped off the course by designing their own house.

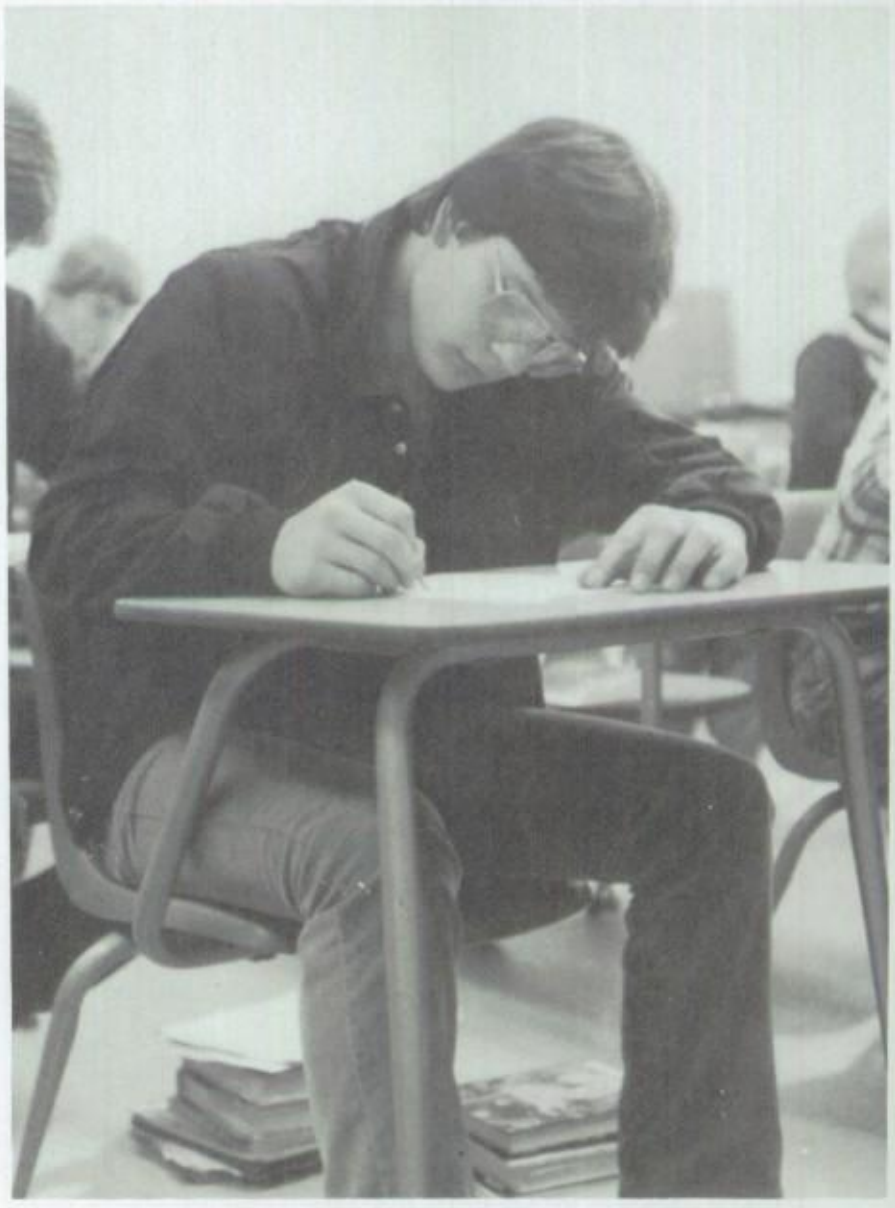
Mr. Ron Lyme and Mr. Dennis Edwards (not pictured) were the industrial arts instructors.

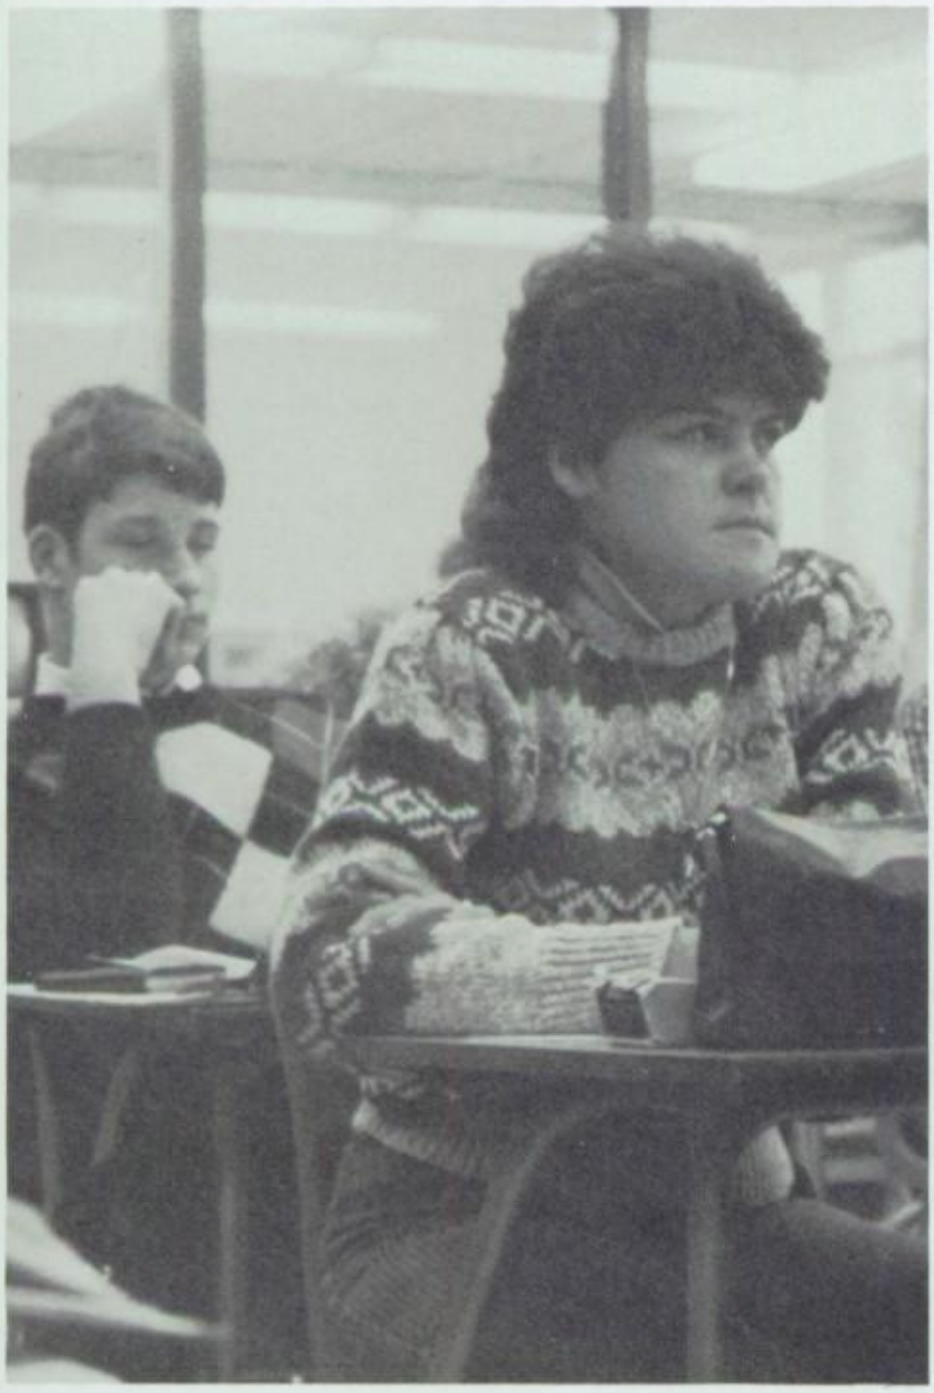
MATH

This year math courses offered at HHS ranged from Math I, the first introductory mathematics course, to Advanced Math, a pre-calculus and trigonometry course braved only by a few of the school's most analytically-minded. Students in Math I and II studied courses of general math and pre-algebra. In Algebra I, students first became acquainted with algebraic principles such as factoring, polynomials and basic graphing. In Algebra II, skills learned in first numbers, and transforming graphs. Those in Advanced Math studied probability, vectors and trigonometry. An added feature to the Math curriculum this year was a computer course. This course is 18 weeks long and is offered each semester. Its primary objective is teaching students to program computers in BASIC.

Miss Helen Taylor and Mr. William Nelson were the math instructors. Miss Cathy Applegate (not pictured) taught Math I.



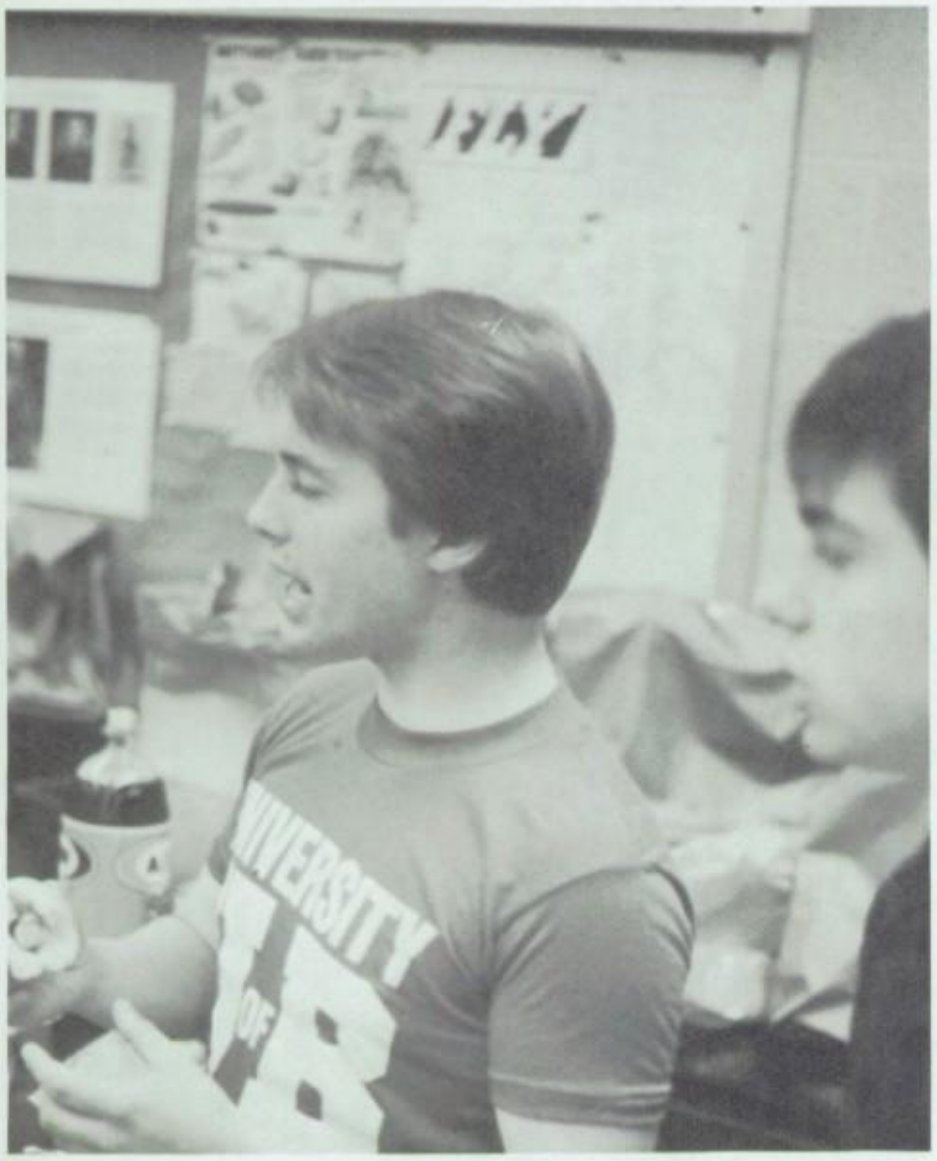




SCIENCE

Science classes offered at Hillsdale this year included General Science, Biology, Chemistry and Physics. This year a new course Advanced Placement Biology was available to students. General Science gives students an opportunity to review the basic principles of physical science. In Biology students learn fundemental elements of life science such as cell structure and botany. Chemistry students probe into physical sciences more deeply, studying atomic structure and chemical formulas. In Physics, students learn about matter, motion and light. Advanced Placement Biology gave students an opportunity to prepare for the advnaced placement exam.

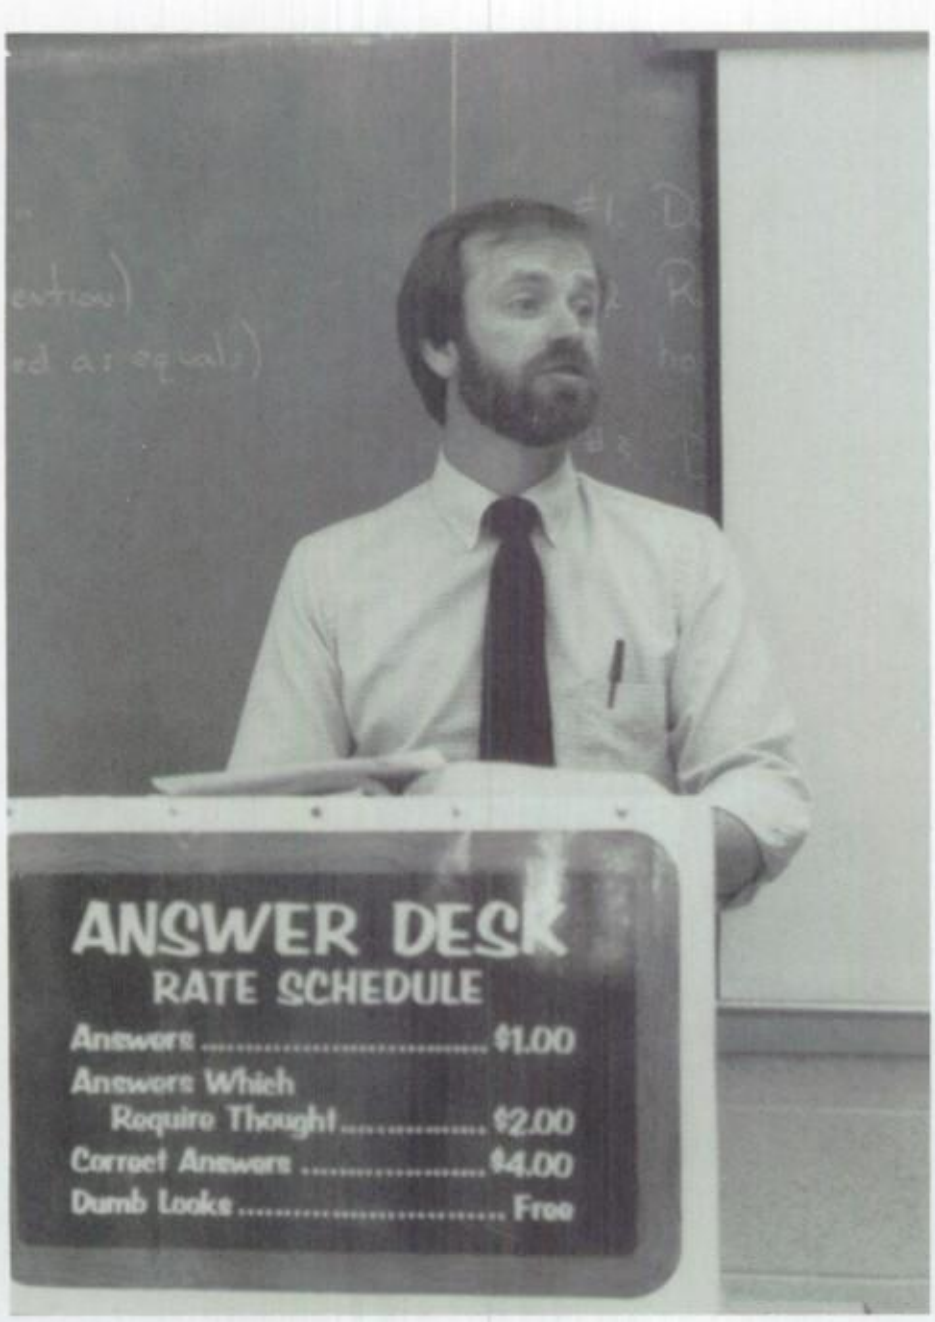
Mr. Jess Hamman and Mr. Steve Burns were the science instructors.

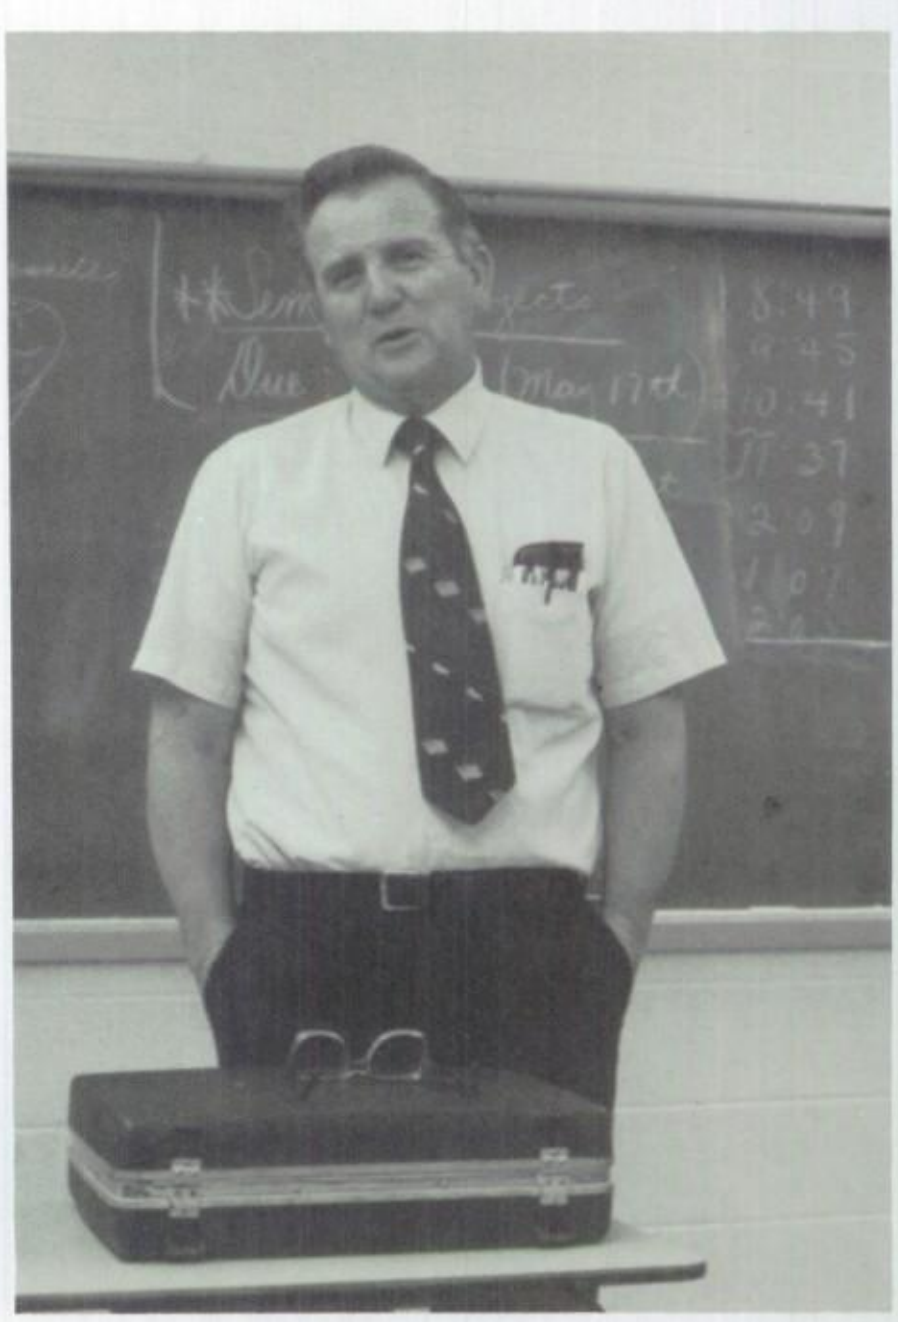


SOCIAL STUDIES

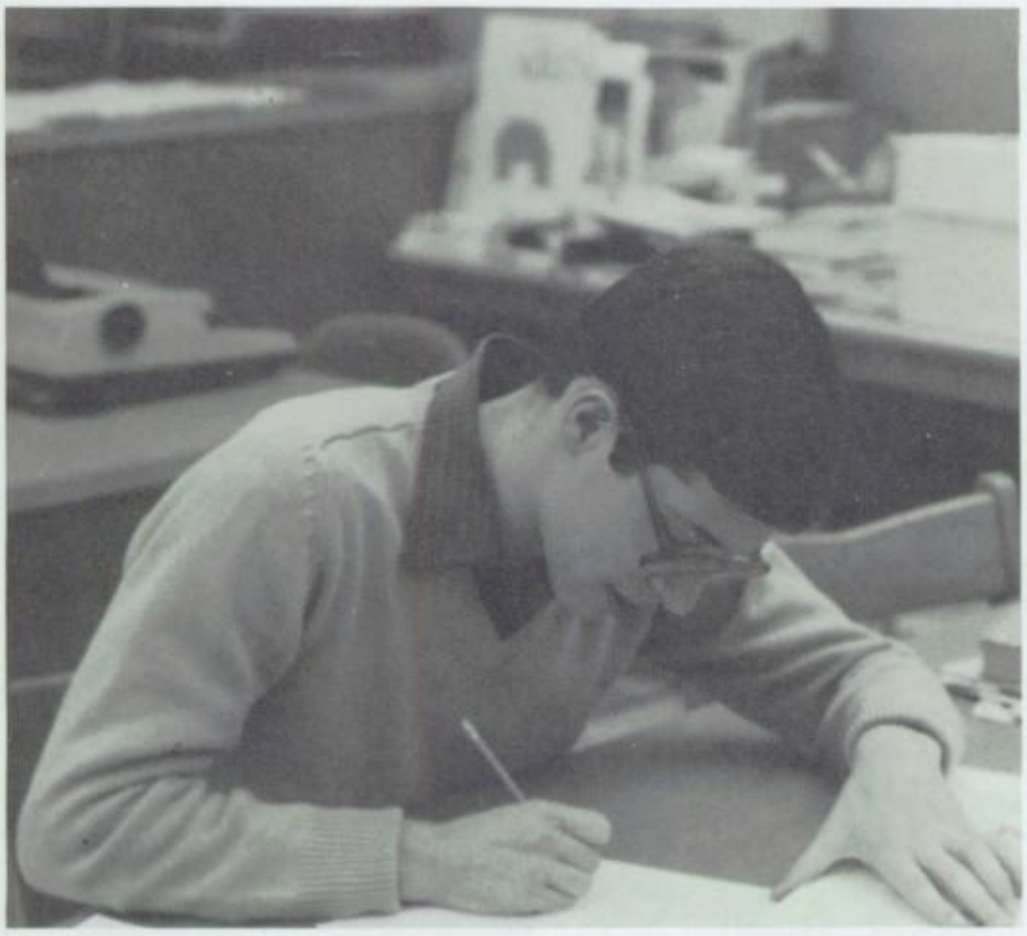
The Social Studies classes this year participated in a variety of activities to complement their normal classroom learning. In World History students were required to do outside readings. American History students watched films such as THE BLUE AND THE GRAY and GEORGE WASHINGTON. Other American History students did special "A" projects. Senior Government classes worked on sample income tax forms and other class presentations.

Mr. James Bargar and Mr. Robert Valentine were the social studies teachers.



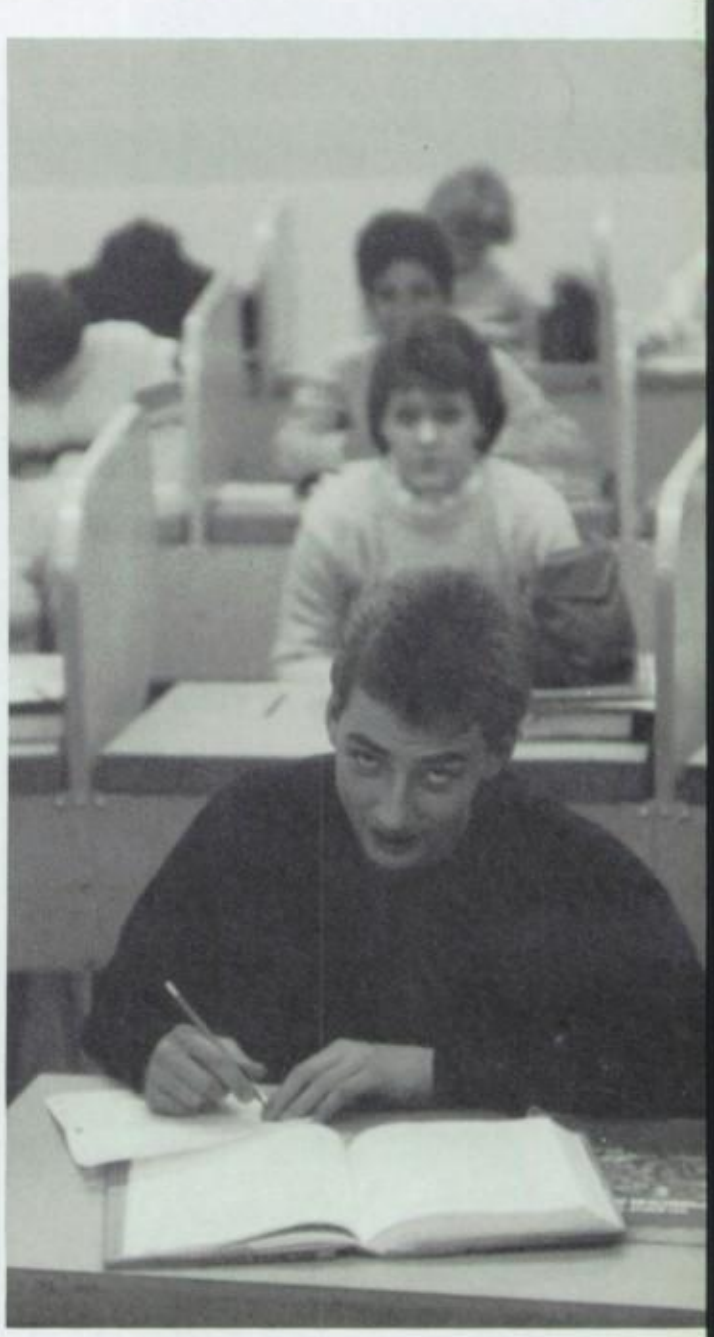


FOREIGN LANGUAGES



With Buenos Dias and Bonjour, Hillsdale began another year of foreign language studies. Students could opt to study either French or Spanish, both of which have a first year and a second year program. In first year French and Spanish, students learn the basics needed to understand the language, such as main verbs, assorted vocabulary and idioms. In second year study of a language students expand on the knowledge from first year and begin to study the cultures. All of this is supplemented by crafts, field trips, activities and independent work.

Mrs. Loretta Snyder and Mrs. Eva Molnar were the foreign language teachers.

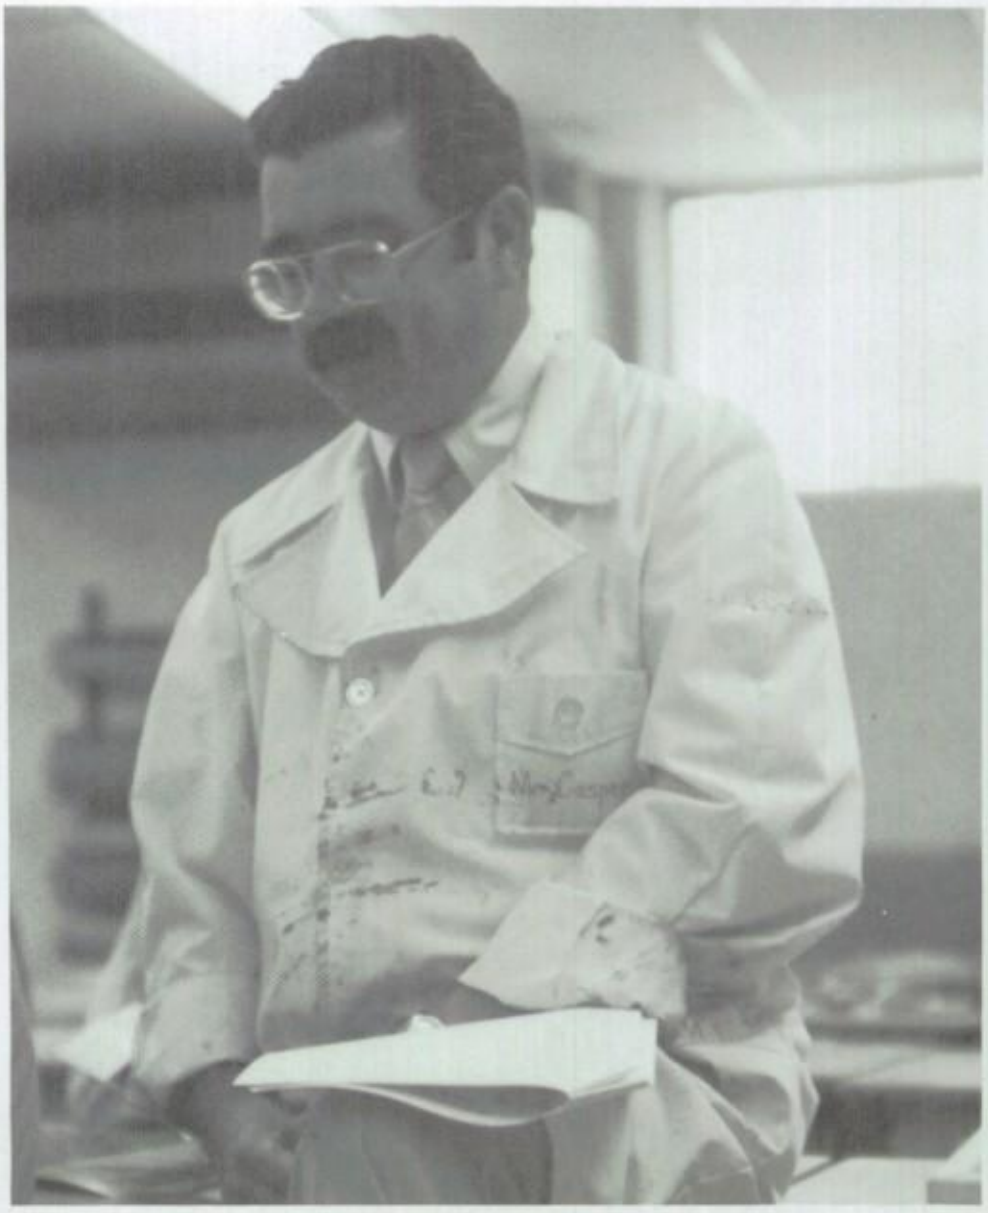


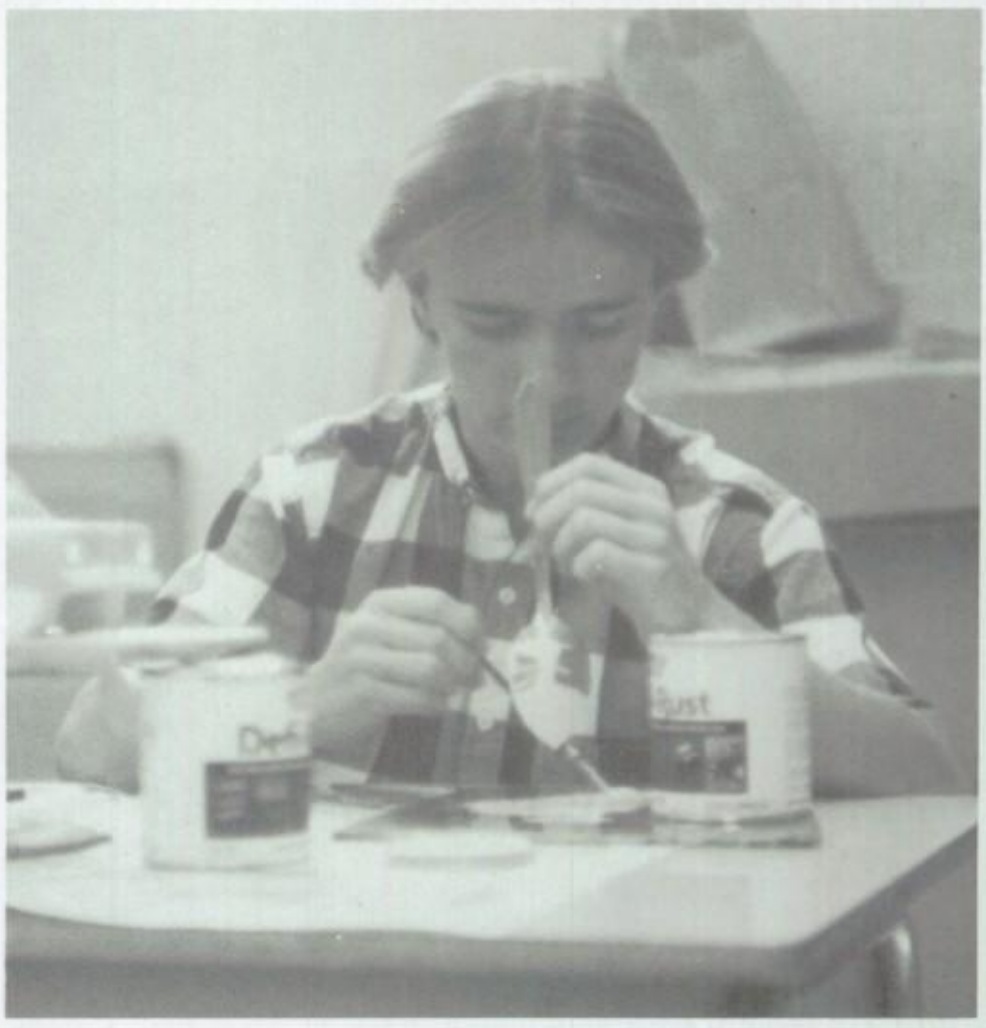
ART

Students in art classes participated in a variety of activities from pottery to oil painting. Freshmen worked primarily with pen and ink drawing, woodblock prints and water color painting. Sophomores worked with pottery and sculpting with cardboard and plaster. Juniors did both chalk and pencil drawings. Some also began their oil painting. The oil painting is the major activity of the senior class.

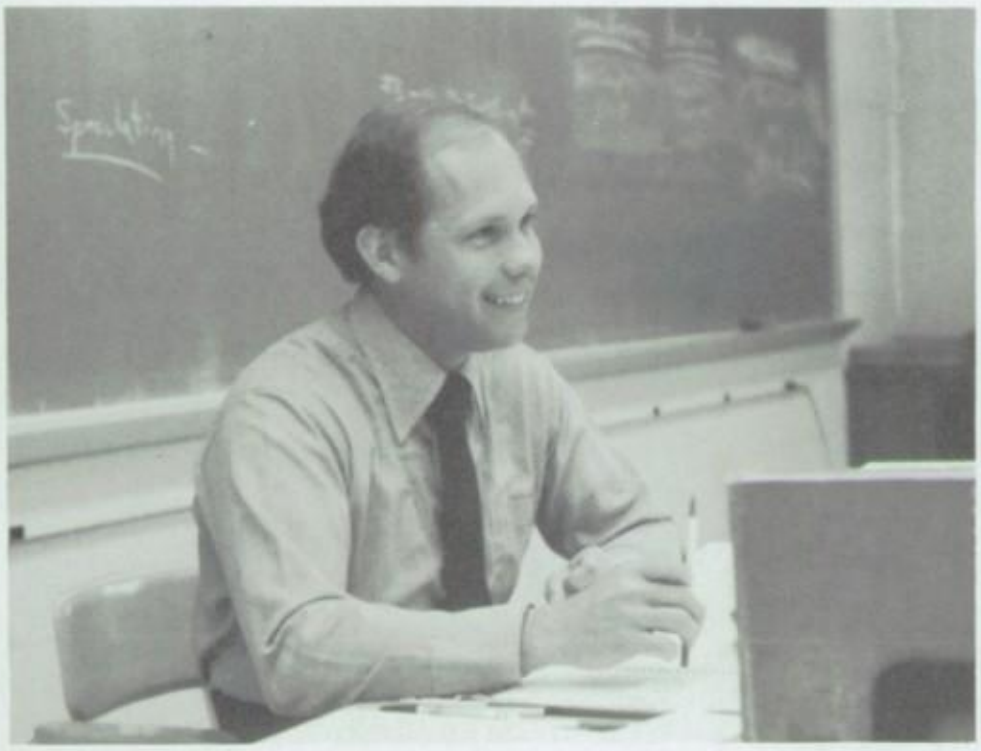
One high point of the art class's year was the selection of David Russell's work as BEST OF SHOW at the 13th Congressional District Art Show. His picture will hang in Representative Donald Pease's Washington D.C. office.

Mr. Bernard Casper was the art instructor.





BUSINESS



The business department at Hillsdale presents students with various opportunities to develop an understanding of the diverse world of business. This understanding usually begins with General Business a course offering students a background in basic economic principles. Students learn typing in both Typing I and Typing II as well as in a one semester course offered during the summer and school year which is called keyboarding. Principles of Economics a class which explores the free enterprise system, and Money Management which lets students delve into the world of investments are offered during the year. Accounting offers students the opportunity to learn to keep financial records. Accounting includes a unit on computer record keeping.

Mr. Blake Bach was the business teacher.

VOCATIONAL PROGRAMS

The vocational programs at Hillsdale consist of Vocational Agriculture and Home Economics. In Vo. Ag. I students are introduced to farming and related agriculture occupations. Emphasis is also placed on improved crop and livesock practice. In Vo. Ag II students continue their study of agriculture management practices and venture into the practice of accounting. Vo. Ag. III continues to expand and intensify the skills introduced in I and II.

Home Economics I includes the study of food, nutrition, child care, sewing and crafts. Home Ec. II involves meal planning, food buying, and food preservation. Home Ec. III and IV expands on the first two courses and continues into the areas of consumer economics, financial management skills, and home management.

Mrs. Shirley McGinnis and Mrs. Sharon Obrecht are the Home Ec. instructors and Mr. Everett Snyder is the Vocational Agriculture instructor.

PHYSICAL EDUCATION

The physical education department offers a variety of individual and group activities which promote physical fitness.

For the freshmen through the seniors, programs include: field hockey, lacrosse, folk dancing, gymnastics, aerobic dancing, badmitton, golf, and cross country skiing.

This year the Hillsdale school board purchased 30 sets of cross country skies which enabled the students to participate in the sport for an entire six weeks by using the campus itself as the cross country course.

BANDS TAKE "I's"

The concert bands of Hillsdale High developed into highly respected, widely-enjoyed musical groups. Under the baton of Mr. Steven D. Taylor the bands performed at largely attended concerts and contests.

The concert band grew into a fine organization, achieving a high honor of straight "I" ratings at District Contest. Assisted by Ashland College music major Mike Barrick, they added greatly to the music tradition at Hillsdale.

Perhaps the highest honor ever given to anyone at Hillsdale was earned by the Wind Ensemble. After receiving straight "I's" at District and a highly disappointing "II" rating in Class B at State Contest, they were invited to participate in the American School Band Directors Association National High School Concert Band Competition Festival at Bowling Green State University on May 17. Judge John P. Paynter said of the group "I am very favorably impressed by this band's department, discipline, and appearance, and I feel this attention to detail carries over in a important way, to the playing," and "Excellent work!" The band was awarded a "I" rating giving credit to its claim as one of the best bands in the state and recognizing it as a top band in the nation. The accolades bestowed on all the Hillsdale music groups were well-deserved and long in coming. 1985 will long be remembered as the greatest year in Hillsdale band history.
